Established in 1971, CSLC is a coalition of persons and organizations interested in legislation related to human needs and services, especially at the state level. CSLC is a nonpartisan and all volunteer organization.

CSLC meets weekly on Monday at noon, when the legislature is in session, except for holidays. In the fall we host a fall forum. Due to the coronavirus, we are currently meeting via Zoom but may change to in person later in the year.

Meetings include legislative briefings and programs in which legislators and community professionals present information about current issues and proposed legislation. Regular meetings are free and open to everyone.
